FILING PROCEDURES FOR FORMING A GEORGIA LIMITED LIABILITY COMPANY

Limited liability companies (“LLC”) are formed by filing articles of organization with the Secretary of State. The *minimum* requirements of Georgia law are outlined herein. Many other provisions may, and perhaps should, be included in the articles. It is very simple to form an LLC. The question of whether or not an LLC *should* be formed is complex. ***The Corporations Division strongly recommends that filers obtain professional legal, tax and/or business advice to assure the filer’s goals and intentions are met, and that requirements of the law are satisfied, both before and after formation of the entity.***

Name Reservation

A name may be reserved prior to filing entity formation or registration documents. A reservation fee of \$25 must accompany the request. Fees are non-refundable. The reservation may be made online or by submitting a Name Reservation Request form. If the name reservation is approved, a name reservation number will be provided to the filer by return email. A name reservation is effective for 30 days or until the filing forming or registering the entity is submitted, whichever is sooner. Name reservation requests are generally processed within 3 to 5 business days of receipt of an online request and within 5 to 7 business days of receipt of a mail-in request. To redeem a name reservation, enter the reservation number in the field provided on an online business formation application or, if submitting a paper filing, place the number on the Transmittal Information Form 231 that is filed with the articles of organization. Name reservations are not available by telephone. Entity formation and registration filings are accepted without a name reservation.

Preparation of Articles of Organization

Articles of organization must include the information described in O.C.G.A. § 14-11-204. Articles may be filed online or mailed to the Corporations Division at the above address. Articles mailed to the office must be submitted on white 8½x11 paper. The articles of organization may be signed by any member of the limited liability company, any manager if management is vested in one or more managers, or by an organizer. An attorney in fact may also sign the articles of organization. ***The signer(s) should indicate in what capacity he or she is signing.*** The signature does not need to be notarized.

Filing of Articles of Organization and Transmittal Information Form 231

For filings not submitted online, the original and one copy of the articles of organization, a completed Transmittal Form 231, and the \$100.00 filing fee should be mailed or delivered to the Corporations Division at the above address. Checks should be made payable to “Secretary of State.” Articles of organization are effective on the date received by the Corporations Division unless a delayed effective date is specified therein. A certificate of organization will be mailed to the applicant, usually in five to seven business days. Workload issues will sometimes result in a longer turnaround time, perhaps up to 12 business days. Filings that are not complete will be returned to the applicant along with a notice that describes the deficiency. If corrected and returned within 60 days the initial date of receipt will be the date of formation. Deficient filings are deemed abandoned if still pending after 60 days from initial receipt of the filing. After the filing is deemed abandoned, a new filing, including new filing fees, will be required. Fees are non-refundable.

Annual Registration

Each LLC must file an annual registration with the Secretary of State between January 1 and April 1 of each calendar year. The fee is \$50.00. The initial registration is due between January 1 and April 1 of the year

following the calendar year in which the LLC was formed. The annual registration should be filed online at <http://www.sos.ga.gov/Corporations/>. Changes to the LLC's principal office address and/or registered agent and registered office address throughout the year are made by filing an annual registration or an amended annual registration and paying the appropriate fee (i.e. \$50.00 for annual registration; \$20.00 for amended annual registration). An LLC that does not submit its annual registration as required is subject to administrative dissolution. An administratively dissolved LLC may be reinstated within 5 years of the effective date of dissolution. There is a \$250 fee to reinstate an administratively dissolved LLC. Fees are non-refundable.
