How you can grow with the Chamber...

We want you to take advantage of all that your membership affords;

- Attend Chamber programs and events to gain access to those who can help you achieve your goals through the value of networking and visibility.
- Read our emails and newsletters so you know what's going on and understand your membership benefits.
- Volunteer your knowledge, skills and abilities to the Chamber as you are able.
- Realize that through phone calls, contacts in the community, and via our on-line and printed directories, many current and potential customers or clients can learn about you and your business!
- Promote the Chamber to others by inviting people to attend Chamber events as your guest - they may see the benefits of membership and join!
- Understand that the Chamber is your business advocate so you provide input to us on areas of concern
- Keep your contact information current either through the website or by emailing or calling the office.
- Offer timely input to our requests and member surveys
- Budget for and pay your dues and other invoices promptly
- Advertise your business with our low-cost opportunities via our email blasts, web-site advertising and event programs.
- Know that since you and your business are a Chamber member, then so are all of your employees.
- Register for events on our website before the RSVP deadline date
- Believe in and support the Chamber's Mission, Vision, Goals and Strategic Plan.
- Take advantage of our Exclusive Member-Only benefits - especially the ones that save you money.
- Participate as a member of a Chamber committee or event volunteer.
- Value civic responsibility and community by being a good corporate citizen
- Understand that Chamber membership gives you credibility with other community professionals, local and state officials, businesses and consumers.
