Collateral

Loans which exceed \$25,000 must be secured to the extent possible. SBA will not decline a loan if you don't have enough collateral, but will ask for whatever collateral is available which may include real estate owned by a business' principals.

Communication is Key

- If you have an existing loan, whether through SBA or a conventional bank, contact your Banker. They may be able to work with you to help you through payment deferments or loan modifications.
- Your Banker cannot help you if they don't know you have a problem.
- Be proactive. Do not wait until your payment is past due to call your Banker.

Inside Hint

- One of the main reasons applications are declined is for technical issues on the application.
- *Application – SBA Form 5 – use for partnership, corporation, LLC, limited partnership, non-profit organization*
 - *IMPORTANT - Be sure to check Economic Injury*
 - Application – SBA Form 5C – use for sole proprietorship
