

# YOUTH LEADERS

WINTER PARK

A program designed to help students develop new leadership skills and learn about opportunities for leadership within our community.

## Class XIX Curriculum Model

Monday

### Team Building

Get to know your classmates, understand your leadership style using the DISC assessment, and complete a community service project.

Tuesday

### Community Appreciation

Experience what makes Winter Park special; visit museums and understand our communities history.

Wednesday

### Communication & Technology

Polish your communication skills, experience a real news broadcast, and learn about innovative technologies.

Thursday

### Law & Government

Learn how local government works for its citizens and the services it provides. Immerse yourself in a mock city commission and mock trial.

Friday

### Career Insight

Understand your unique strengths with the CliftonStrengths assessment, learn about the power of LinkedIn, and consider possible career paths.
