

Board Director

Ms. Linglong He
Chief Information Officer
Quicken Loans

Linglong He is the Chief Information Officer of Quicken Loans Inc., a role she had held since 2010. With more than 20 years of experience within technology, Linglong is responsible for the overall vision and leadership for technology initiatives across the business. Since joining the company in 1996, Linglong has served in many roles, including Director of Database and Systems Engineering, Software Engineer, Oracle DBA, Progress DBA and as a UNIX System administrator.

Technology drives Quicken Loans. The company has placed in the top-10 of *Computerworld's* "100 Best Places to Work in IT" for three consecutive years and has been listed in the magazine's annual survey for eight consecutive years. Quicken Loans also ranked highest in "customer satisfaction" among all home lenders in the United States for the second consecutive year in benchmark study of the mortgage origination by J.D. Power and Associates, for 2010 and 2011.

In the Partnership with several prominent technology companies in downtown Detroit, Linglong leads "IT in the D," a program that provides continued education and work experience for IT professionals and college students as they advance their technology careers. The program encourages those professionals to stay and contribute in the local community.

Prior to joining Quicken Loans, Linglong taught Civil Engineering for seven years in China. She earned her Master's degree in Software Engineering from Wuhan University with honors. She also obtained an undergraduate degree from Hehai University.
