

## Board Director

**Mr. Senthil Veerappan**  
**Director, Connection Systems**  
**North America**  
**Aptiv**

Senthil Veerappan is director of Connection Systems – North America for Aptiv (formerly Delphi Automotive), Supply Chain Management.

Based in Troy, MI, Mr. Veerappan began his career in manufacturing in 1997 with Hyundai Motors, India. Two years later he joined Satyam Computers Corporation (India & Virginia, USA) and consulted with Caterpillar and Visteon Automotive Systems, focusing on SAP implementations.

Senthil joined the Aptiv team in 2003. Moving up the ranks, he led the global commercial strategy for the following commodities – steel, copper and precious group metals. Having delivered outstanding value and results in those assignments, he was named to his current role in 2013.

Mr. Veerappan has a bachelor's degree in mechanical engineering from the University of Madras, India, and a master's degree in business from the University of Michigan. He is a graduate of the Thunderbird School of Global Management – executive leadership program.
