

Leonie Teichman **Office Manager**

Ms. Leonie Nyuk Lien Teichman, originally from Kuala Lumpur, Malaysia, moved to Michigan in 1997 and began her career with Fidelity Bank in the Operations Center. She ensured quality assurance process within the various banking transactions by reviewing project requirements and measuring the final product to original requirements.

In 2007, she then joined Baosteel America Inc. as the Administrative Assistant and Inventory Controller in the Detroit Office. She assisted with contracts, warehousing and logistics along with accounts receivable for over six years.

In 2014 Leonie joined Logic Solutions Inc. as an Accounting Assistant where her background in Finance enabled her to provide accurate audits as it concerns with invoices and balance sheets. She assisted in managing the Accounts Receivable (AR) process and reconciliation of account balances.

In 2015, Leonie joined the APACC Team as its Office Manager managing daily office transactions and is the friendly face that greets you at APACC events.
