

## What is a Business After Hours?

Business After Hours events are designed to help you make valuable business contacts, entertain clients, reward employees, show off a new service or addition, spend time with co-workers and most of all, enjoy doing it at the area's premier networking opportunity.

BAH's are casual networking opportunities held at some of Cheboygan's most interesting locations. Inexpensive and informal, these early evening events are held from 5:30-7:30pm the third Thursday of the month and are ideal for meeting fellow professionals and establishing long-lasting business relationships.

Business people are encouraged to attend and be prepared with a number of their business cards to pass. This event is open to Partnership members and non-members alike.
