Re: Upper Lighted Sign Cabinet, full color 16mm double-sided LED display, and installation of both on existing brick structure

Powell Economic Partnership, Powell Chamber and Powell Visitor Center are seeking proposals for the purchase and installation of an upper lighted sign cabinet, full color 16mm double-sided LED display and their installation. This will replace the existing sign pictured below.

Upper Lighted Sign Cabinet	7'3" wide x 36" tall
LED Reader Board	7'3" wide x 29" tall

Existing Electric Capacity: 20 amps available

Timeline: Install Complete by end of May/Early June

Budget: \$23,000 including signs, installation and any other costs associated with the sign installation (excluding the City permit)

We are a nonprofit and exempt from sales tax. If you would like to include any labor or material costs as an in-kind contribution, we can provide a receipt for tax purposes. Please do not hesitate to contact me for more information. The deadline to receive a quote is end of business day, April 27, 2018.

Sincerely,

Christine Bekes, Executive Director
