FOR IMMEDIATE RELEASE

We're All In This Together!
Hearth 'n Kettle and Dan'l Webster Inn
offer Take-Out and Curbside Pick-up

Cape Codder Resort and Dan'l Webster Inn Remain Open

As one of the biggest employers on Cape Cod, the Catania Hospitality Group is doing whatever it can to keep its staff safe *and employed*, and to continue to serve the community during the COVID-19 pandemic. This includes keeping the restaurants open for TAKE-OUT and Curbside Pick-up. President and CEO Bill Catania said "These are very difficult times. The convenience of picking up a wholesome, cooked meal can make life a little easier for some. Keeping our staff working is of the utmost importance to us."

While complying with Governor Baker's order to close restaurant dining rooms until April 7, the Hearth 'n Kettle will take breakfast, lunch and dinner take-out orders by phone, and the Dan'l Webster Inn will accept lunch and dinner orders. Guests who are hesitant to come in can request curbside pick-up.

The Hearth 'n Kettle will also be pre-packaging several of its Classic entrées in "Grab and Go" containers – just heat and serve. Guests can stop in and pick one up for an elderly neighbor who cannot get to the market; or they can add one to their take-out order to save for the next day.

Both Catania Hospitality Group hotels – the Cape Codder Resort and the Dan'l Webster Inn are open and take out is available from the restaurants. The spas will be closed until further notice.

We encourage all of our employees and customers to support the local economy during this crisis by spending your valuable dollars with local businesses. We're in this together.

All employee health and sanitization protocols newly implemented by the Catania Hospitality Group are being adhered to strictly in the restaurants and hotels, including the taking of employee temperatures before they clock in. See websites for more details on the precautions Catania Hospitality Group is taking to keep guests and employees safe from COVID-19.

Restaurant menus can be viewed online and orders are accepted by phone.
