Full Service Conferencing

Pragmatic is your one-stop shop for all things business-collaboration, including audio, video, web and hardware. We are **conferencing experts** here to simplify, educate and save you money!

On-Demand Audio Conferencing

Pragmatic offers a unique on-demand (reservation-free) audio conferencing service that provides users with a dial-in number and their own access code. This service is available 24/7/365, and has no additional set up charges or user fees. With a 99.9% up-time guarantee, your calls won't be dropped.

Event Conferencing

Large high-profile calls require special attention and planning to ensure a flawless execution when it matters most. Pragmatic's event conferencing service can facilitate managing your conference call from start to finish. Our dedicated operators ensure every call starts when you are ready.

Cloud Video Conferencing

Pragmatic offers the best cloud video products, including Polycom-Powered RP1Cloud and BlueJeans. With room for dozens of attendees, interoperability to work on any device and native Skype for Business integration, we'll make running a successful video conference easy.

Web Conferencing

Pragmatic partners with Adobe Connect, a market-leading enterprise web conferencing solution used by leading corporations and government agencies to improve collaboration and get work done faster. It enables rich interactions, while ensuring easy meeting entry.

Webcasting

OneCast provides a comprehensive platform for connecting and communicating from one to many. With OneCast audio conferencing, slide-sharing, registration, on-demand content creation, and more, is all integrated into one easy-to-use cloud-based solution. Enhance your content creation, online event production and management, member marketing, and internal communications.

Conferencing Equipment

Get the perfect setup with our industry-leading cameras, microphones, conferencing-optimized furniture, and more. The right hardware will ensure perfect sound, flawless visuals, and conferences that run smoothly every time.
