Are you a strategist? Do you want to be involved in implementing the strategic goals for the organization to improve the overall business climate in our area? Consider serving on one of our committees which meet throughout the year.

Program / Speakers Committee: (meets 3-4 times a year)

Goals: To develop an exciting schedule of speakers for monthly meetings through out the calendar year as well as create relevant programs which address issues members may be having.

Chairperson: Scott Huedepohl

Marketing Committee: (meets as needed for specific project)

Goals: To create opportunities for members to showcase their brand, each project will have a different level of time required. Committee members can choose which projects they wish to participate on. The current project is Get Your City on the Map.

Chairperson: Kim Terpstra

Government Advocacy: (meets 2 times per year or as issues arise)

Goals: To ensure our members have a voice in government and act as advisors when needed. Members may be asked to attend local municipality meetings which impact the business community. Occasionally committee members may be asked to mediate for members or give a business perspective to local government.

Chairperson: Available

Do you only have time to volunteer during certain times of the year? Consider helping out with one of our annual events. It's a great way to meet new people and have fun!
