CYCLING

There are many wonderful bike routes in the Spring Green area. A marked bike lane runs all the way from Hillside School Road (just south of the Wisconsin River on Hwy. 23) to Dodgeville, and the **Military Ridge Bike Trail** is also accessible from Spring Green by following Highway 23 south to County Highway Z.

The Pine River Bike Trail, between Lone Rock and Richland Center, is laid on an abandoned rail bed. The trail gives riders the opportunity to enjoy the beautiful river bluffs without riding over them. Parking and access is available in Lone Rock, Gotham and Richland Center. The trail is free and open to the public; motorized vehicles are not allowed. For more information, call (608) 647-6205.
