

Families in Paradise

Sunday March 4, 2018

Families in Paradise, Key Biscayne Chamber of Commerce's signature event, offers the opportunity to connect and network with families and businesses in the Village of Key Biscayne. By combining family-friendly interactive activities with local businesses and sponsors, this five-hour event keeps attendees engaged while maximizing brand exposure.

Promote your business to Families in Paradise attendees with an ad in our colorful custom designed event program that will be distributed during the event. A digital edition of the program will also be available in the event's official site FamiliesinParadise.com as well as keybiscaynechamber.org and Komuns.com.
