## **Put your business information on display**

The Chamber office has some great wall display areas for members to showcase their business cards. Space is also available for brochures and flyers from 3 ½" to 8 ½" wide and up to 11" tall.

If you would like to have your business information on display, just drop off some of your cards and literature to the Chamber office at 105 W. Indiana Avenue (in Perry's Landing) or bring it to any Chamber luncheon or networking event. There is a drop slot on the office door for 24/7 convenience. We suggest that you bring or send approximately 20 brochures or business cards. You are welcome to check and replenish your supply periodically. This service is free to Chamber members. Walk-in traffic at the Chamber office averages about 60 people per month looking for information to help them with upcoming relocations, new and current resident resources, business and visitor information.

It is the Chamber's policy to refer business to its members therefore display space is not offered to non-members.
