

Is your business Safe.Clean.Ready? Cottonwood is ready, but we are moving carefully to help protect everyone who lives here or visits. Frankly, we're being a little strict. We've flattened the curve, and we want to keep it that way.

Safety Guide lines for Businesses, Residents, and Visitors: By referencing CDC guidance, Governor Ducey's Executive Orders, and collaborating with people all over the Verde Valley, we have created safety guidelines reopening businesses may voluntarily choose to adopt. Businesses who sign up are listed on this site, and they display the COTTONWOOD | Safe.Clean.Ready. sticker in their windows. We are [posting the guidelines](#) for you to see, as well as the businesses who sign on, constantly updated. Sign up your business now by emailing pio@cottonwoodaz.gov
