March Chamber Business Breakfast
Sponsored by: Lake Jovita Golf & Country Club
(Flyer Enclosed)
From The Desk of the Director

Dear Chamber Members,

Happy Spring!! March is here, and your Chamber is hard at work for you and our Community!

The Kumquat Committee has met for their 2020 wrap-up meeting and planning for 2021, please mark your calendars, Saturday, January 30, 2021 for the 24th Annual Kumquat Festival.

We have been planning and organizing for the 35th Annual Joe Kiefer Golf Tournament. We are back at the beautiful Lake Jovita Golf and Country Club on Friday, April 3, 2020. Registration starts at 11:00 am and Tee Off is a 1:00 p.m. “Shotgun” start – included is a box lunch, beverages, 18 holes, dinner, contests and great prizes. **We have great sponsorship opportunities**; they are value based to reward you, your clients, partners and business associates. This is a unique event that offers a chance to play one of Florida’s most distinctive and beautiful courses. For more information, please call the Chamber, 352-567-3769 or email jmoors@dadecitychamber.org.

Lots of activities happening in the area, including

- Lake Jovita Golf and Country Club is sponsoring and hosting our March monthly business breakfast, being held on Tuesday, March 17th. SMARTstart Director and PEDC staffer, Dan Mitchell will update Chamber members and guests on developments within the incubator and food hub.
- Access East Pasco, an event featuring elected officials and business leaders in order to network and learn about developments in our area will be held on Friday, April 24th from 11 am to 1:30 pm at Saint Leo University, with a lunch and panel discussion. Tickets for the event may be purchased by calling the Chamber at 352 567 3769 or online on our website.
- Business Connects – a celebration of Chamber partnerships will be held on Thursday, May 14th from 6pm to 8pm at the Dade City Women’s Club, sponsored by the club, Lynch/Cotton and Associates and Savory Roots (Melanie Armstrong) Catering. Tickets are $50 and will be available through the Chamber or online.
- The City of Dade City hopes to soon start construction on the new Visitor Center and splash park area across the street from the Chamber offices. Great news for our community.

One last THANK YOU to our team of volunteers who helped put together a fabulous Kumquat Festival – one of the largest ever – great job, team!!

Please have a wonderful and safe Easter weekend.

John Moors, Executive Director

Please remember the Chamber Membership is our life blood. Please refer a member, retain a member and let the staff know about prospective members. THANK YOU for your continued partnership!!

PASCO SHERIFF’S OFFICE NEWSLETTER
March 2020

The Pasco Sheriff’s Office receives many calls every day regarding potential scams. Unfortunately, too often, our citizens become victims of these scams. In this month’s newsletter, the Pasco Sheriff’s Office is highlighting the most common type of scams to help prevent you, your family, and your friends from becoming a victim.

Loan Scam
When searching for a personal loan, make sure to be cautious of pop-up websites or phishing emails. A phishing email is a disguised email that makes the receiver believe it is from a legitimate company/source when it is actually sent by scammer. Be alert if someone contacts you offering you a loan when you have not been applying for any.

If you are applying for a loan, make sure to look for legitimate companies and be careful when searching for loan companies. Also, do not provide your personal identification information via the internet.

Tax Scam
Our citizens become victimized when a scammer calls the victim and tells them the IRS has identified they owe money. If they do not pay the amount stated then a warrant will be issued and they will be arrested.

The IRS is not going to call you and ask you to pay a debt over the phone. Also, they will never ask you to pay them via gift cards.

If you receive a call like this, take notes of the phone number they called you from and who they said they were. Do not pay them and contact law enforcement.

Warrant Scam
Callers may claim to be the Pasco Sheriff’s Office (PSO), the Social Security Administration, IRS, FBI or other local or federal government agencies, and may request information from you or claim that you have a warrant for your arrest.

PSO will never discuss warrants with you over the phone, nor will they request payment in the form of gift cards.

Citizens who receive such calls should hang up immediately as these calls are scams. Do not follow any instructions the caller provides and do not provide them with any personal information.

Please take a moment to discuss these common scams with friends and loved ones to help us safeguard our community.
Music at the Monastery

The free monthly concerts (September – April) hosted by the Benedictine Sisters of Florida, St. Leo features the girls choir from Academy of Holy Names on Sunday, March 15, 2020, 2:00 pm.

We welcome the public to join us for a lovely afternoon of music and fellowship. Following the concert, we hope you will stay a while for refreshments and a social with the choir and the Benedictine Sisters. A free-will offering is appreciated.

Location: Holy Name Monastery, 12138 Wichers Road, just off SR 52 in St. Leo, Florida, 33574,

Exit 285 off I-75. Reservations are not required.
The Mayor’s Communiqué........................

It’s hard to believe that we are three months into the new calendar year! Each passing month is filled with activities not only in Dade City, but our surrounding communities to attract visitors to Pasco County. The infamous Parade signaled the beginning of the Pasco County Fair attracting many participants and spectators. It was a picture-perfect day for the start of another great week of fair activities showcasing area talent in a variety of venues, and of course, rides for all ages. Thank you to the organizers of this amazing County Fair and all the special activities that make it such a special treat for all that visit. Congratulations to all the winners in the talent shows, pageants and other award shows/programs that are held throughout fair week.

Dade City continues hard at work with numerous projects throughout our town. As the City progresses with the Downtown Stormwater project, it’s exciting to see that soon we will have better water flow through our streets which will certainly be a welcomed change for all after our rainstorms. Thank you for your patience through this process. This project has required the assistance of all in our community to achieve a successful outcome. There is a light at the end of the tunnel!

On a different note, congratulations to Jim Browne for his amazing new facility in Dade City. His investment in Dade City is truly appreciated. His hard work, time, investment, and dedicated staff made this happen after a very long planning and construction process. We are so pleased to have this amazing addition in our City and wish only continued success for Mr. Brown and his dedicated staff. The City also is excited about another unique project that will transform our community. This is the former Pasco Motors site and the project that is planned for that area. Thank you, Mr. Gilford, for your investment in Dade City and exciting plans that await Dade City with the unfolding and planning of this amazing complex. This project will for sure be a game changer for our community and open new possibilities for all our visitors and residents. Truly an exciting project and one we are all so thrilled about for all our residents and visitors.

Finally, the second phase of the Hardy Trail is for the most part complete and another exciting addition to our downtown. Not a day goes by that one can see numerous walkers, runners or cyclists on the trail. It is so exciting to see families and people of ages using this amenity and at the same time promoting health and wellness for themselves and their loved ones. We look forward to the planning of the final stage of this Hardy Trail and the connection to US 301 and hopefully the Withlacoochee trail sometime soon. With the planning of the Morningside Extension project, we hope to be able to have the third and final stage of the Hardy Trail planned in the City. This will be yet another amazing amenity for all that come to visit and play in our city. As we plan for our bike hub and visitor center in our newly acquired property near the existing trail, it will be wonderful to have a new destination for residents and visitors.

As always, it is an honor and privilege to serve the residents of Dade City. Your ideas as we continue to grow our town as most encouraged and welcomed. Please contact me at chernandez@dadecityfl.com with your questions or comments as we continue to move Dade City from better to best.

Saint Leo University Breaks Ground for Wellness Center

59,000-Square-Foot Facility Will Provide Space for Health, Recreation, Counseling Services

Saint Leo University broke ground Thursday, February 6, for a Wellness Center located on the west end of campus by Lake Jovita. The 59,000-square-foot facility will create an environment for holistic health and well-being that integrates student recreation, fitness, health services, counseling services, and campus ministry.

Focusing on the body, mind, and spirit, Saint Leo’s new Wellness Center will provide space for group exercise, spinning and yoga classes, and a large community fitness center. In addition, there will be two indoor basketball courts, a healthy smoothie bar, and a recreational pool with a lakeside infinity edge, as well as a relaxation terrace and garden.

There also will be several multipurpose rooms, which could be used as space for meditation, specialty classes, and gaming.

As the university has grown, there has been increased student demand on the current spaces. Saint Leo officials also wanted to provide a facility that will provide for students’ physical and emotional well-being. Many of the services now offered in DeChantal Hall will move to the new facility.

Construction tentatively will begin in April, and university officials hope to open the Wellness Center in Fall 2021.

“This day is finally here; praise God,” said D. Dewey Mitchell, chair of the Saint Leo University Board of Trustees. “This is a wonderful amenity for the university and the community.”

Creative Contractors of Clearwater, FL, is serving as the construction firm for the project while S3 Design Inc. of Braintree, MA, is handling the architectural design; and JLL of Tampa will provide project management services.

Fundraising is taking place for the Wellness Center, and the university is in discussion with several health care providers that potentially could serve the community by delivering medical services on-site.

Mitchell, chair of the Saint Leo University Board of Trustees, welcomed everyone to the Wellness Center groundbreaking while Dr. Melanie Storms, senior vice president, served as the emcee for Thursday’s ceremony. Sister Roberta Bailey, prioress of the Benedictine Sisters of Florida, provided those in attendance with a historical perspective on the property, and University President Jeffrey D. Senese made remarks about the benefits of the Wellness Center. Prior to the groundbreaking, Abbot Isaac Camacho, OSB, a Saint Leo alumnus, blessed the site.

“You stand on sacred ground,” Bailey told the crowd gathered for the groundbreaking. She reminded everyone about the founding of the university by the Benedictine sisters and monks. They sunk “their roots deep into Florida’s oldest incorporated town,” she noted.

Saving a tree

While the land that Saint Leo occupies once was home to orange groves, a different type of tree was found growing on the property as clearing began. The Saint Leo Abbey Church is known as “the church that orange juice built,” as the Benedictine monks traded oranges and grapefruits to Saint Meinrad Abbey in Indiana for sandstone, which was used to construct the church, consecrated in 1948. As work began on the site for the Wellness Center, an original olive tree was discovered while clearing the overgrowth on the property.

The olive tree will be transplanted during construction for safekeeping, and then replanted into the meditative gardens of the Wellness Center, tying the history of Saint Leo to its future.

Looking ahead

Emphasizing the impact the Wellness Center will make, University President Senese said, “We are creating an iconic building for Pasco County, Tampa Bay, and Florida. It is our vision that this building will take your breath away.”

Photo by Renee Gerstein, Saint Leo University
Global Positioning System technology has been used in professional sport for some time, in both training sessions and during competition. Through the use of Electronic performance and Tracking System (EPTS) devices, teams can track player’s movement on the pitch and collect vast amounts of data on their performance, such as their running speed, distance run, their position on the pitch, their heart rate and their body’s work rate.

However, GPS is not only used to track a player’s health and fitness. The value of the data collected through these EPTS devices goes beyond that. This data can also map a player’s positioning on the pitch to help identify the most frequent spaces covered and provide insights on how well various areas were utilized. This can then provide a valuable source of information to adapt training and development of specific players according to their physical and tactical needs.

The type of data captured by the GPS trackers can vary largely by provider and the needs of the team using the data. As with most areas in performance analysis, the data captured by GPS needs to be used and analyzed appropriately in the context of the sport, athlete or situation. An isolated data point can only provide very little insight on what is really happening, if any at all. This is why the use of GPS metrics require the combination of multiple variables in order to obtain a complete picture. For instance, two athletes may run the same distance at the same average speed, but taking a look at heart rates or speed intervals can provide a closer look into their fitness and amount of load each body is taking to deliver that outcome. The most common data point being collected are: Total distance covered, Average running speed, Total running distance (high pace), Total sprinting distance (full speed sprinting), Average acceleration time, Average deceleration time, Heart rate (to identify athlete’s work rate), Positioning on the field, Time of high intensity play, Time of low intensity play, Athlete’s load (the demand on an athlete’s body), G-Force / impact data (for impact sports like rugby), Catapult / PlayerTek Partners with: Bayern Munich FC, Paris Saint Germain FC, Wales Rugby, NFL’s Steelers, Liverpool FC, Celtic FC, Wigan Athletic FC and Malmo FF, amongst others.
Benedictine Prioresses Gather in Yankton, SD

The annual meeting of the Conference of Benedictine Prioresses (CBP) was held in Yankton, South Dakota beginning January 28 through February 4, 2020. Sr. Roberta Bailey, prioress of Holy Name Monastery in St. Leo, Florida was one of forty-four participants in attendance. Besides the United States, Sisters came from the Bahamas, Canada, and Mexico. The purpose of the conference is to provide its members mutual assistance and encouragement to further the vision and values of Benedictine cenobitic life within the Church and contemporary society.

The theme of the meeting, hosted by the Yankton Benedictine Sisters, Sacred Heart Monastery, was “Called to Serve: Pray, Listen, Lead.” At the business meeting, Sr. Aileen Bankemper was elected chair of the organization for a three-year term and Srs. Anita Louise Lowe and Susan Rudolph were elected to a term on the CBP Coordinating Committee. They will serve along with Srs. Rosann Ocken and Maribeth Wentzlaff.

Outgoing CBP Chair, Sr. Jennifer Mechtild Horner OSB, of Our Lady of Grace Monastery, Beech Grove, Indiana, explains that, “Each year the Prioresses and Presidents meet to further the work of the Conference of Benedictine Prioresses. In the midst of this work, we take time for retreat. This year's retreat was led by Sr. Michaela Hedican OSB of St. Benedict’s Monastery in St. Joseph, Minnesota, who challenged us to practice our leadership through the lens of the beatitudes.”

On their free afternoon, some Sisters toured the Corn Palace in Mitchell, South Dakota, others visited the monastery of the Missionary Benedictine Sisters in Norfolk, Nebraska, while others enjoyed some leisure in Yankton.

EMERGENCY CARE
13100 Fort King Road
Dade City, FL 33525

In case of a medical emergency, call 911.
Jay Sheridan, Utilities Manager, began working for the City of Dade City in April, 2017. He started his utilities career in 2003 as an Operator Trainee for Tampa Bay Water; he worked for them for two years. Mr. Sheridan then went to work for a private utility contractor, Veolia Water. While at Veolia Water, he assisted in starting multiple projects, including the expanded 120 MGD Surface Water Treatment Plant in Brandon. Jay graduated from Tarpon Springs High School; then went to the University of Florida, where he completed a Bachelor’s degree in Agricultural Operations Management. Mr. Sheridan holds an ‘A’ level Water Operator’s license and a ‘B’ level Wastewater Operator’s license. He was born in New London, CT and grew up in Palm Harbor, FL.

Todd Hiscock, Chief Wastewater Treatment Plant Operator, started with the City in September, 2014. Mr. Hiscock was born in Detroit, MI and moved to Zephyrhills in 1972. Todd went from elementary through high school in Zephyrhills, graduating in 1986. He then began technical college classes for utilities (PUTI, PHCC, HCC and California/Sacramento, Data Flow). He’s taken classes for the past 30 years – received his first wastewater license in 1988; his ‘B’ license in 2001, and water license in 1994. Though Mr. Hiscock has moved around the state – from Brooksville to Fort Myers & Naples to Orlando – he has always called Zephyrhills his hometown, as that is where he has raised his kids. Todd has three kids of his own, with ten kids between him and his wife, Jasmine, along with five grandkids.

Justin Boyle, Water Plant Operator, began working for the City in August, 2019. He has nine years of experience in the utility field. Mr. Boyle holds an Associate’s degree in Firefighting from Gateway College in Kenosha, WI. Justin calls Kenosha his hometown.

Kristopher Gordon, Wastewater Treatment Plant Operator Trainee, began working for the City in November, 2017. Mr. Gordon started working in the Parks Department, moved to be a Meter Reader, then transferred to Utilities in 2018. Kris received his diploma from Pasco High School in 2012 and calls Dade City ‘home’.

Nancy Lopez, Administrative Assistant, started working for the City in July, 2017. Mrs. Lopez has had an extensive background in customer service for over 20 years. She enjoys spending time with her family and watching the Gators and NFL football on the weekends. Nancy graduated from Leto High School in Tampa and considers Tampa her hometown.
Sunrise of Pasco will host event at Center Ice for SAAM (Sexual Assault Awareness Month)

Kelly Sinn, CEO for Sunrise of Pasco, has announced the agency will kick-off SAAM (Sexual Assault Awareness Month) by hosting an event at the Advent Health Center Ice Arena in Wesley Chapel on April 2nd from 7 p.m. till 9 p.m. The public is invited to come skate, and learn about the services and programs provided by Sunrise of Pasco County Domestic and Sexual Violence Center.

Advent Health Center Ice is open to the public offering the opportunity to skate for $12 and will be donating $2 to Sunrise for each skater. If you would like to attend but are not interested in skating, Sunrise will be selling tickets for $10 to the VIP Room. The VIP Room, sponsored by My Community Mortgage Company, will feature food, access to the cash bar, and an activity to benefit the children who are living at the shelter.

If you are interested in attending, becoming a sponsor, or purchasing a VIP Ticket, please contact Sunrise Director of Development Vicki Wiggins at vwiggins@sunrisepasco.org or by phone at 352-521-3358.

Sunrise of Pasco Domestic and Sexual Violence Center is an equal opportunity, non-profit services provider that serves Pasco County. Since 1982, Sunrise of Pasco has been providing free victim services to people in the community who are hurting. Sunrise maintains a 40-bed emergency shelter to provide protection for women and children in crisis, provides free counseling services for survivors of domestic violence and sexual assault and fosters a culture of non-violence through various community engagement efforts. The agency serves hundreds of women, men, and children annually, when - in a better world - this kind of work would not even be necessary. For more details about this release, please call Vicki Wiggins at 352-521-3358 or email

Member Testimonials

We have been a member of the Greater Dade City Chamber for many years. We believe that it is just good business to work alongside our community neighbors. The chamber represents the areas of Dade City and San Antonio, where two of our four offices are located and provide banking services. The chamber's events have continually grown and become staples for our community. We try to be involved with as many as we can. They are a wealth of information, sharing new developments via email blasts and at the monthly business breakfasts. They do a great job of representing our community to others, we are proud of this local partnership.

San Antonio Citizens Federal Credit Union

When I was the director of several drug and alcohol rehab centers I wish I knew the powerful networking opportunities available within a Chamber of Commerce. Like in all businesses, marketing was costly and took up a large part of my time in order to keep our services visible in our community and in front of our referral sources such as health professionals, clinics, hospitals and employers, etc. I wish I knew then what I known now, that all those sources can be found in one place and that place is the Greater Dade City Chamber of Commerce.  Frank Notarianni, Dade City, Florida

John, I just wanted to thank you and the Dade City Chamber for the leadership displayed over the last couple of weeks. With the announcement that Dade City Main Street was shutting down, there was a lot of ‘uneasiness’ among the retail merchants. But you stepped up immediately to reassure us all that the Chamber was more than willing to help with any gaps that might exist after the shut down. As a member for the last 16 years I am not surprised that this show of leadership was swift and immediate. The Dade City Chamber of Commerce is the arm that reaches out for all the small businesses that are unable to do this alone. The business climate in Dade City today is strong and vibrant and I believe the major contributor for this success is the Dade City Chamber. Again, thanks for all you do.  Jim Hendry, A Matter of Taste

“The Greater Dade City Chamber of Commerce has been instrumental in the success of our business. John, Jo Mel and all the volunteers at the Chamber are always willing to help and guide my business. If they do not have an answer to your question, they will tirelessly to get an answer and a contact for you. Thank you to entire team, you are great!”  Deatrice Blossom, D & R Specialty Hot Dogs

San Antonio Antiques applauds the Dade City chamber of Commerce for its year-round promotion of local businesses and community events that have positive impact on small business owners like myself. I appreciate all the networking and marketing opportunities available to Chamber Members.

John Herrmann, Proprietor, San Antonio Antiques

Jarrett Ford has been a proud member of the Dade City Chamber of Commerce since we opened in February of 1978 which is over 40 years ago. The Chamber is an integral component in our community and touches so many people and businesses. If you want to succeed in a community you have to be part of the community and the Chamber is a great place to begin.  Cliff Martin, Jarrett Ford

I became employed in the Dade City area at Lake Jovita Golf & Country Club in Feb. of 2014. Moving here from Western Colorado I had no connection with the community or the surrounding area. In the spring of 2015 I joined the chamber’s golf committee for the Dade City Chamber’s annual Joe Kiefer Golf Tournament held at Lake Jovita. That opened the door for me to get involved and meet many of the local business leaders. Since that first year, my career has moved me from the Golf Pro Staff into the General Manager Position overseeing 100+ employees, maintaining 500+ acres, and a full service restaurant at Lake Jovita G&CC and the connect with the community and area businesses has been crucial to the success myself and Lake Jovita is experiencing. The Chamber was the gateway to those relationships and the business to business workings that help every aspect of Lake Jovita G&CC.  Michael Johnson, Lake Jovita Golf and Country Club
Member Testimonials Continued.

Brown & Brown Insurance of FL- Brooksville would like to thank the Greater Dade City Chamber of Commerce for welcoming us into the community with open arms. We have been in Brooksville for over 20 years and becoming a part of the neighboring community as well as getting to know the community has been enjoyable with the help of the team at the Greater Dade City Chamber. Even though we have only been a part of the Chamber for about 6 months we feel as if we have been with them for years. The team at the chamber is very welcoming and accommodating to our questions and needs. We look forward to working with the chamber and the local community in the future.  

Brown & Brown of Florida, Inc.

John, thank you for working with us on the 2016 Annual Kumquat Festival! Trusted Senior Care’s “Westbrooke Manor” believes being part of the Annual Kumquat Festival® is critical to successfully doing business in East Pasco. You and your team are doing superior work!

Hunter Anstine, Chief Development Officer  Trusted Senior Care, Inc.

We are so excited to welcome our new members The Greater Dade City Chamber of Commerce! At the Greater Dade City Chamber of Commerce their mission is to promote economic growth & quality of life in the Greater Dade City area. The Greater Dade City Chamber of Commerce has been operating as a successful trade association organization for over 50 years and now represents over 430 business, associations, non-profits and individuals throughout Pasco County. Greater Dade City Chamber of Commerce, we are so thankful for your support! For more information about this great organization please feel free to visit http://www.dadecitychamber.org/index.cfm.

The Thomas Promise

There are two words that I cannot say enough and those two words are “Thank You”. I hope the three of you truly know how much you helped me in “2016” AND “2017” has already started off with a bang! If it were not for your support and friendship I would not have been able to help make all the “Littles” dreams come true by helping find them a “Big Brother” or “Big Sister” in Pasco County – You never know who has made the decision to make a difference in someone’s life and by your mere act of kindness that you have shared with me time and time again by sharing our mission and event dates you definitely had a direct impact on the success of my efforts. Just think - What if every child reached their potential? What if every child stayed in school? What if every child gave back to the community? What if every child was sent on the right path? Our mission is to provide children facing adversity with strong and enduring, professionally supported 1-to-1 relationships that change their lives for the better, forever. Just a little bit of time can make a BIG difference. Once again, “Thank you” Jo, Mel & John for all you do to help make Pasco County such a special place to live and share our lives.  

Deb Kristol-Irwin, Director of Partnership Development Big Brothers Big Sisters of Tampa Bay

“The East Pasco Democratic Club has utilized the services of several of our fellow Chamber members for items we needed - from t-shirts to a vinyl sign - and found the services great and the quality of the items ordered top-notch. We look at the directory first to see if we can find what we need from our fellow Chamber members. Our goal is to shop Dade City first! and to support the Greater Dade City Chamber.”

Beverly Ledbetter, East Pasco Democratic Club

“I have been very pleased with the effective communication and outreach efforts of the Greater Dade City Chamber. As the president of Galen College of Nursing for the Tampa Bay region, I find the meetings and events helpful as I navigate the business climate in our numerous surrounding counties that my college serves. Thanks for all you do!”  

Rob Wolf, President  Galen College of Nursing, Tampa Bay Region Saint Petersburg FL
“Thank you for hosting the Greater Dade City Chamber of Commerce Breakfast! I saw some people that needed to contact me later that day and some new folks that I will be collaborating with later this Fall. Thank you for providing this forum to allow such great networking opportunities!” **Ahmy S. Arca, Student Life & Leadership Pasco-Hernando State College East Campus**

Thank you so much John, Mel and Jo for the many years you have worked with the Dade City Garden Club to market and sell our Historic Dade City Ornaments. In 1994 when we produced our first ornament, the Pasco County Courthouse, the Chamber was there to help us. You have continued over the years to sell our ornaments and you have many loyal customers that would only buy their annual ornament at the Chamber. It is the Garden Clubs main yearly fund raiser and your efforts are critical to our success. We are a non-profit organization and all the money is used to maintain our historic building and grounds. It is not an easy job for you and we appreciate your dedication and continued support all these years.  

**Members of the Dade City Garden Club**

"If you are serious about business, get serious about joining the Greater Dade City Chamber of Commerce. The place where serious business owners discuss serious business with other serious business owners. Time to get serious.” **Steven D. Hickman, President & CEO First National Bank of Pasco**

Being 13 year member/supporter of our Greater Dade City Chamber of Commerce I have gained countless relationships with those in my community. Visibility is key in establishing community connections while promoting your business. The networking opportunities are endless through the Chamber, and there's no better way to promote your business because it’s “free marketing” and people do business with people they know. Our Greater Dade City Chamber offers many programs and events throughout the year as a way to give back to the community and business owners who supports the Chamber. Joining The Chamber is great. A business receives many benefits visibly and behind the scenes. However, joining only gets you so far. Participating is the true key to receiving the benefits of chamber membership. Being a member of the Chamber only works for you if you participate in what the Chamber has to offer to help you succeed in business and community connectivity. To sum it up, our Greater Dade City Chamber is the very “Best” when it comes to promoting, representing and supporting our community and its local businesses. **Bonnie Krummen, CenterState Bank VP/Branch Manager - Dade City office**

Jarrett Ford has been a proud sponsor of the Greater Dade City Chamber of Commerce’s Annual Kumquat Festival since it’s inception 22 years ago in 1998. It fills our city’s streets with many visitors and many potential future patrons to our community. They see how unique we are here in east Pasco County with our eclectic community of restaurants and shops and friendly people. We’re looking forward to another exciting year with another successful festival. **Cliff Martin, Vice President / General Manager Jarrett Ford, Inc.**

FREE SMALL BUSINESS SEMINARS
March 2020
Register today @ pascohernando.score.org

Pasco Hernando SCORE offers a variety of different seminars every month. Visit our website to review the seminars and register to attend. Space is limited. Register today.

Tues., March 3, 2020 4:30pm-6:30pm Introduction to Business Taxes This seminar discusses federal and Florida business entities and how to create them. We also cover state and local licensing requirements. We’ll review federal and state employment taxes, such as FICA, FYTA withholding and reemployment. This seminar will also cover federal and state income taxes. This seminar will be held at the Spring Hill Branch Library, 9220 Spring Hill Dr., Spring Hill, FL 34608

Wed., March 4, 2020 5:30pm-7:30pm Launch Your Business with YouTube Whether you want to learn how to post your videos to YouTube or design/develop your YouTube videos, this seminar is for you. We will review your social media strategy and you’ll learn how to integrate YouTube into your current social media efforts. This seminar will be held at the Hugh Embry Library, 14215 4th St., Dade City, FL 33523

Wed., March 4, 2020 5:30pm-7:30pm Basic QuickBooks This seminar is designed for persons planning to start a business, or who have recently started a business. But who have yet to set up an effective record keeping system. The seminar is a basic introduction to QuickBooks. Note: this is not for advanced users. This seminar will be held at the Hudson Regional Library, 8012 Library Rd., Hudson, FL 34667

Tues., March 10, 2020 4:30pm-6:30pm How to Apply for a Business Loan This is a workshop, rather than a lecture. Focus is on the individual requirements of the participants including start-ups, mature businesses and purchasing of existing businesses. Loan sources for amounts from $5,000 to $5,000,000 will be covered, as well as business plan to accompany loan applications. This workshop will be held at the Zephyrhills Public Library, 5347 8th St., Zephyrhills, FL 33542

Thurs., March 12, 2020 5:30pm-7:30pm How to Really Start Your Own Business We will discuss the idea, testing the idea, and protecting the idea. We will then review key issues for starting a business: finding good people, structuring the business, understanding cash flow, finding the money, and business plan. This seminar will be held at the Hudson Regional Library, 8012 Library Rd., Hudson, FL 34667

Mon., March 16, 2020 5:30pm-7:30pm Starting an Assisted Living Business This seminar will familiarize attendees with components of starting an ALF including licensing regulations, components of business start-up, financial resources, market research and developing a business plan. This seminar will be held at the Regency Park Branch Library, 9701 Little Rd., New Port Richey, FL 34654

Tues., March 17, 2020 5:30pm-7:30pm Creating a Successful Business Plan The business plan is a manual that guides your company’s daily operation towards the goals and objectives. You will learn what data is required to write a plan. Review the techniques used to acquire it and how to use the data to establish realistic goals and objectives. This seminar will be held at the SMARTstart West Pasco Entrepreneur Center, 4532 US Hwy, New Port Richey, FL 34652

Tues., March 24, 2020 5:30pm-7:30pm Basic QuickBooks This seminar is designed for persons planning to start a business, or who have recently started a business, but who have not yet set up an effective record keeping system. The seminar is a basic introduction to QuickBooks. Note: this is not for advanced users. This seminar will be held at the Land O’ Lakes Branch Library, 2818 Collier Parkway, Land O’ Lakes, FL 34639

Thurs., March 26, 2020 5:30pm-7:30pm How to Apply for a Business Loan This is a workshop rather than a lecture. Focus is on the individual requirements of the participants including start-ups, mature businesses and purchasing of existing businesses. Loan sources for amounts from $5,000 to $5,000,000 will be covered, as well as business plan to accompany loan applications. This seminar will be held at the SMARTstart West Pasco Entrepreneur Center, 4532 US Hwy 19, New Port Richey, FL 34652

28TH ANNUAL
CHARITY GOLF TOURNAMENT

We are gearing up for our annual “Save Our Sons” Golf Tournament and would be very grateful if you would partner with us! For 35 years we have never charged a fee to help the men that come to us looking for help. This annual event is one fundraiser that helps keep us from ever having to charge a young man for help. Join us by sponsoring a hole, bringing a team of golfers, or becoming a business sponsor today to help make this year’s tournament a great success!

Silverado Golf & Country Club
