Welcome to the 47th annual Little Falls Arts & Crafts and the 8th annual Market Place & Man Cave Fairs! The Little Falls Area Chamber of Commerce is proud to sponsor these annual events that bring over 125,000 people to our town. Our juried art fair is known throughout the upper Midwest as one not to be missed. The Fair is always held the first weekend after Labor Day in beautiful, historic downtown Little Falls.

Check out the Market Place & Man Cave Fair, staged on the west side of the Mississippi River, for commercial buy-sell items. The vendors in this area are a mix of nationally known products as well as unique items patented and mass produced by individuals.

Little Falls has a lot to offer visitors year around. Charles A. Lindbergh put Little Falls on the world map. Complementing his boyhood home are acres of beautiful park land, the scenic Mississippi River, and miles of hiking, biking and snowmobile trails. We are the cultural center for the area with summer concerts in the park, City of Lights holiday programming, exterior murals adorning our historic buildings and an acclaimed performing arts series sponsored by Great River Arts, St. Francis Music Center and Heartland Symphony Orchestra. Little Falls is home to Pine Grove Park & Zoo, the MN Fishing Museum - Hall of Fame & Education Center, Linden Hill Historic Event Center and the Exchange Arena, home to hockey teams and figure skating clubs in the winter months and is host to an array of exhibitions in the off season.

Please put Little Falls on your list of stops for your next long weekend or family vacation!

Exhibitor Directory

An Exhibitory Directory map is located in the center of this book on pages 16-17. To explain the booth designations for each vendor, the letter indicates which block they are in and the number their space is located within that block. The food vendor listing is found on pages 18-19 and the new Market Place Fair’s vendor listing can be found on page 28. A free shuttle bus service is provided from the Morrison County Fairground, located east of town off Highway 27. The information in this directory is current as of August 20, 2019, but placements may be subject to change.

MARKET PLACE

Started in 2012 as a means of not turning vendors away who have product that compliments the Little Falls Arts & Crafts Fair, the Market Place Fair was staged on West Broadway across the Mississippi River from the handcrafted items and adjacent to the Farmer’s Market and the Antiques & Collectibles Fair.

Drawing the success of the past years, this year Market Place welcomes 39 vendors to Little Falls. These vendors offer a great variety including commercial buy/sell vendors representing many nationally recognized brands, representatives of others’ handmade works and manufacturers with their own inventions setting out to create their own brand. Join us in welcoming them and their unique variety of products to our Fair.
