

FALS

(FALLS AREA LEADERSHIP SERIES)

FALS is an eight month course that immerses a diverse group of people into an exciting learning environment. **FALS** is designed to enhance professional, group and individual leadership skills.

Those who will benefit from **FALS** are those striving toward or currently are in leadership positions. By being part of **FALS** you will gain knowledge and skills that will benefit each participant professionally and personally.

2017-2018 PARTICIPANTS

"I am grateful for the professional and personal growth that I have experienced from this series. I was able to learn so many aspects of Morrison County but more specifically the businesses and what this community has to offer. Not being from the Little Falls area, I learned so much about the history and the businesses that make this rural area a true pleasure to be part of"

Megan Kruse, 2017-2018 participant
