CHAMBER
OF COMMERCE®

WEBSITE BANNER ADS

As a service to our members, the Chamber now has a new digital marketing opportunity for your business to gain exposure: website banner ads. Our website gets over **400 unique views PER DAY**.

Advertise on our website and take advantage of the opportunity to engage with thousands of potential customers each month.

Website banner ads will be sold in 3, 6 or 12 month commitments. See page two for pricing and details.

Website banner ads should be 480 pixels wide by 60 pixels tall.

Chamber members will supply their own artwork or if needed, the Chamber designer may create artwork for you. If you should elect this complimentary service, you must supply any logos or information needed to create the banner ad at least two weeks prior to the run date. If you should elect to supply your own artwork, the deadline is a week prior to the email date.

A limited number of banner ads are available and will be sold on a first-contact-first-sold basis. Ads in the same location will NOT be sold to direct competitors.

To reserve a day for your website banner ads, please fill out this contract and return to the Chamber office. The Chamber reserves the right to refuse submissions.

The Champaign County Chamber of Commerce is a member focused business association that improves the quality of life in the region and facilitates business growth.
