The Kids Block Party is the Chamber's way of kicking off the summer for all the Maryville and surrounding area elementary age children! We throw this FREE event yearly to celebrate the youngest members of our community and highlight the businesses and organizations that make Maryville a remarkable place to live.

Register your business/organization for a FREE booth! We ask that you provide a game or activity for kids between the age of 5 and 12. The Kids Block Party is a great way to get in front of parents in a non-purchasing environment, so think outside of the box!
