SAMARITANS OF SAM'S

Samaritans of Sams (SOS) program is a delivery and errand service that Sam's will provide free of charge to residents of Tiburon and Belvedere who are having difficulty safely securing food, running errands or simply navigating the lonely and scary times we are in. Our goal is to be there to help those who have contributed to the success of Sam's for all these years.

If there is something we can help you with, please call **(415) 435-4527**. If it is within our ability to safely perform the service you need, we will. If all we can offer is a friendly smile that reminds you that we will get through this, then that is what we will do. Due to current insurance requirements, we are only offering this service to Tiburon and Belvedere residents, but we are hoping to expand the service area.

We are open from 12-8 pm, if you call outside of those hours, please leave us a message and we will get right back to you.

Our offer is not exclusive to what we can provide from our kitchen. We're all in this together and we are here to support each other. In addition to providing free delivery from Sam's menu, we would be happy to drop off an amazing meal from our friends at Servino's, an order from Koze, or whatever else you are missing from our local community.
