

## **Chairman Tim Jones**

The 2018 Chairman of the TCCC BOD is Tim Jones. Tim Jones serves as Vice President for Administrative Services at Chesapeake College. Throughout his career, Tim has continually found innovative ways to combine his passion for community improvement with his expertise in organizational and financial leadership. Nowhere is this more evident than at Chesapeake College, the regional community college for the upper eastern shore of Maryland. During his four plus years at Chesapeake, the college has constructed its first high efficiency building (LEED platinum), built and operationalized a 1.76 MW solar photovoltaic array that provides 50 percent of the colleges electricity, partnered on a battery-storage and microgrid project, and implementation of a series of land management practices on campus designed to improve the water quality of the Wye East River. Tim is the current Chair of the Talbot County Chamber of Commerce, the Immediate Past Chair of the Talbot County Economic Development Commission, and Vice Chair of the Board for Quality Matters, a leading nonprofit organization dedicated to improving the quality of online education worldwide.

Prior to joining Chesapeake College, Tim was Senior Vice President and General Manager for Sotera Defense Solutions and Senior Vice President, Chief Operating Officer and Chief Financial Officer for Delmarva Foundation for Medical Care, both located in Easton, MD. Tim has also served on the Upper Shore Workforce Investment Board, the Maryland Patient Safety Center Board of Trustees, as Treasurer for the Board of Trustees for Habitat Maryland, and as Chair of the Finance and Human Resources Committee of the American Healthcare Quality Association.

Tim received his BS in Economics and MBA at Virginia Tech. In addition, he has completed graduate level coursework in organizational leadership at both the University of Maryland Eastern Shore and the University of Chicago.

A native of Talbot County, Tim currently resides outside of Cordova with his wife Jackie and their three rescue dogs, Chipper, Lola and Charlie. Tim has two children. His daughter, a graphic designer and artist, resides in Easton, PA with her husband. His son is a senior at the University of South Carolina studying computer engineering and math.
