

## RESTAURANTS OFFERING CURBSIDE/ONLINE ORDERING/DRIVE THRU

### **CURBSIDE**

Sonic-All locations

[The Cookie Basket](#) 501-827-8803 - we will offer curbside pickup for any and all call in orders, with sanitation being done in between. (These need to be done via debit card and we can do that over the phone to prevent prolonged interaction). I'm **willing to offer deliveries during this time**. Again, paying by phone will make this very easy. We will still keep our dining room open and we have germ-x at the front door as well as products to make sure everything is properly cleaned in between customers. This week we will only be offering our menu items. We will not be making daily specials due to the lack of traffic I feel it unnecessary. Also, our hours may be subject to vary depending on customer flows
