

KAMLOOPS CHAMBER
OF COMMERCE

May 13, 2020

Kamloops Chamber endorses City of Kamloops decision to proceed with major infrastructure projects.

The Kamloops Chamber of Commerce applauds the City of Kamloops's decision to proceed with the Tranquille Road utility upgrade project and the TCC renovations.

The two specific projects were in a state of uncertainty at the beginning of the pandemic, and by moving forward the City will be able to deliver much needed improvements, get businesses working and boost the local economy.

The Kamloops Chamber emphasizes the need to be fiscally responsible and acknowledges the need to continue to analyze City finances when deciding to either amend or go ahead with aspects of certain projects.

Tyson Andrykew, President, Board of Directors, Kamloops Chamber of Commerce: "This is a good, necessary step forward on the road to recovery."
