

Candidate Bio

Peggy Jones, Ed. D., School Board District 3 Race

Peggy Jones is a life-long educator who has resided in Vero Beach for 40 years.

She is the Mom of three children, all graduates of the IRC School System, and the Grandmother of 1.

At this time she is volunteering at Crossover Mission and mentoring students through virtual means. She also tutored at Gifford Middle this past school year in the after-school program.

Her professional career is highlighted at the school, district, and state level. She has been a Principal of two middle schools and one high school and also served as Executive Director for Secondary Programs. She also served at the Florida High School Athletic Association as Associate Executive Director for Administrative Services.

Her current goal is winning the School Board Race so she can continue to be a student advocate, teacher supporter, and community oriented person. She believes the best thing a community can do for their children is give them an exemplary education, and she is a proponent for all schools where a child can be successful.

Peggy Jones has always had a strong work ethic and will continue to have one when she has the privilege of being elected to the IRC School Board.
