

Steve Boyle's Biography

Steve is running for County Commissioner, District 5, in an effort to give back to the community by bringing his diverse business background from working with various governmental agencies to the commission. Steve's goals are to save the Indian River Lagoon, improve the quality of life in the county, support local businesses and help to bring more quality jobs to the county. Steve's 35+ years of living and working in Indian River County and business experience is an invaluable asset for the job.
