

Northville Farmers' Market Sponsorship Opportunity

What is the difference between a sponsor and a vendor? A sponsor is an advertiser that supports the market in return for promoting its services or products through the Market. Sponsorships help support the market. A vendor is an individual(s) who actually produce or make their product to sell.

Our Mission

The mission of the Northville Farmers' Market is to develop a local food infrastructure for long term sustainability and meaningful community impact. Our purpose is to preserve and grow a diverse local food culture by maintaining an authentic space for all people to share community, food and healthy lifestyles. The Northville Farmers' Market is committed to showcasing:

- Local farmers, producers and artisans.
- Products grown or made by our vendors, in Michigan!
- Providing a variety of vendors to create an interesting and consumer friendly market.
- Provide a family friendly atmosphere

Benefits of Sponsorship

The Northville Farmers' Market has 75+ vendors with an average of 1,500 visitors or more each week, (both residents of Northville and visitors) that you'll have the opportunity to make face to face connections.

The Market offers our sponsors association with one of the most respected and well-loved events in Northville while working to support Michigan's family farmers and food artisans.

By becoming a sponsor of Northville Farmers' Market, your organization shows a shared commitment to fostering a community that is economically, ecologically and socially sustainable.

Our sponsorship package offers great visibility in Northville and the surrounding community. We can customize a sponsorship opportunity to fit your needs.
