

Hours of operation - every Thursday, May - October 2020

8am-9am - Seniors 60+ and older and those with health concerns • 9am-3pm - Open to all customers

This season, the Northville Farmers' Market is running under the guidelines from MiFMA (Michigan Farmers Market Association) and Michigan's executive order, the Market will not operate as an event or gathering space, as we have in the past. Unfortunately no crafters or foods that are not prepackaged will be on site at this time. To limit unnecessary wandering through the market this map should assist you in finding the items you are looking for quickly. Pre-order service is offered by some vendors listed below, this list is also on the Chamber website at [northville.org/events/farmers-market](http://northville.org/events/farmers-market). Direct pick up questions to the specific vendor you are placing an order. COVID-19 Market Policies are listed on the website as well, and will be posted throughout the Market.
