Governor Ron DeSantis announced the activation of the Florida Small Business Emergency Bridge Loan Program to support small businesses impacted by COVID-19. The bridge loan program provides short-term, interest-free loans to small businesses that experienced economic injury from COVID-19.

These short-term, interest-free working capital loans are intended to "bridge the gap" between the time a major catastrophe hits and when a business has secured longer term recovery resources, such as sufficient profits from a revived business, receipt of payments on insurance claims or federal disaster assistance.

The application period opens March 17, 2020 and runs through May 8, 2020. The application form and additional details can be found at <http://www.FloridaDisasterLoan.org>
