Business Name: _____

Facility Address: _____

Approx. gross square footage of space open to the public: _____

Signage *(check all that apply to your facility or work site)*

- Signs have been placed at each public entrance of the facility or work site to inform all employees and customers that they should: avoid entering the facility or location if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into a cloth or tissue or, if not available, into one's elbow; and not shake hands or engage in any unnecessary physical contact.
- A copy of this Social Distancing Protocol has been placed at each public entrance to the work site.

Measures To Protect Employee & Customer Health *(check all that apply to your facility or work site)*

- Face coverings are required for employees unless an exception for safety or health exists. Businesses must provide written justification, upon request, to explain why an employee is not required to wear a facial covering in the workplace.
- Everyone who can carry out their work duties from home has been directed to do so.
- Individual discussions have taken place with employees about the fact that older adults and those with chronic medical conditions may be at higher risk for serious illness. Options have been explained to high risk employees, including ways to minimize face-to-face interactions, maintaining six feet of distance from other people, remote work if possible, and leave policies for employees who choose not to come to work.
- All employees have been told not to come to work if sick (including any of the following: headache, sore throat, fever, dry cough, recent inability to taste and smell, shortness of breath, ear aches, body aches, diarrhea, fatigue, vomiting, and abdominal pain).
- Copies of this Protocol have been distributed to all employees.
- Optional — Describe other measures:

Measures To Keep People At Least Six Feet Apart *(check all that apply to the facility or work site)*

- All employees have been instructed to maintain at least six feet of distance from customers and each other (employees may momentarily come closer when needed to accept payment, deliver goods or services, or when otherwise unavoidable).

- All desks, individual work stations, or work areas are separated by at least six feet.
- Tape or other markings have been placed at least six feet apart in customer line areas inside the store and on sidewalks to public entrances with signs directing customers to use the markings to maintain distance.
- Order areas are separated from delivery areas to prevent customers from gathering.
- Optional — Describe other measures:

Measures To Prevent Crowds From Gathering: *(check all that apply to the facility or work site)*

- The number of customers in the store at any one time is limited to _____, which allows for customers and employees to easily maintain at least six-foot distance from one another at all practicable times.
- An employee is monitoring the door to ensure that the maximum number of customers in the facility set forth above is not exceeded.
- Optional—Describe other measures:

Measures To Increase Sanitization *(check all that apply to the facility or work site)*
