Vendor Information

- Booth Size: Spaces will be approximately 12 x 12 feet.
- **We have removed the restriction that allowed only one commercial vendor for each type of business.** We will now allow multiple vendors of the same product.
- Each vendor will be allotted two vehicle parking passes per booth space due to limited parking.
- Participants are responsible for all set-up and disassembly of booths and clean up of their area.
- Tables, tents, chairs & electricity are **NOT** provided. Vendor is responsible for providing their own.
- Generators are allowed, providing they do not make an unacceptable amount of noise and use is reported at time of registration. The Fair Marshall will be the final judge of noise levels.
- A vendor packet containing your parking passes, instructions, and map will be emailed to you one week prior to the event.

Set-Up & Tear Down

- All vendors **must be set up & ready to go no later than 9am** on event day.
- **Tear Down:** Booths **must remain open** from 10am until 6pm. Disassembly may begin at 6pm, however, no moving vehicle traffic will be allowed until after 6:30pm. **A penalty will be assessed for closing and/or vacating event early.**

Rules

- Please allow a maximum of 15 minutes unload time for vehicles in fair space.
- Booth tear down/disassembly may not begin until 6pm. Please leave your space clean.

- Failure to comply with these rules may result in eviction from the fair without refund.
- Booth owners are responsible for relaying all rules to anyone tending their booth.

New this year!

- We strongly encourage all of our Business/Service Industry Vendors to have a children's game or activity at your booth. The Chamber has games you may borrow if needed.
- If you reside in Sachse and have a product you produce in your home, ask us about our new "Homegrown in Sachse" vendor section with reduced entry fees.
- If you are a non-profit organization, ask us about our "Non-Profit Row" reduced entry fees.
