*This is a Mandatory Retreat – All participants must attend the retreat; attendance at the Retreat is essential to the program. Persons accepted to Class 1 who do not attend the Retreat will be asked to delay participation until the next year’s class.

**At the conclusion of “City Government Day” and “Education Day”, the class typically has dinner with the respective bodies of leadership which causes the length of the day to be expanded beyond the standard 5:00 p.m. dismissal time. Class members must miss fewer than 16 hours of class time throughout the program year in order to be eligible to graduate with the class.

***“State Government Day” will be spent in Austin. Class and information sessions will start at 10am on Wednesday, February 13th and will conclude by 2pm on Thursday, February 14th.

Some of the times are subject to change, but you will be informed of the correct time at least two weeks in advance.

Each class member must participate in 8 hours of community service. Information about the community service project will be presented during the Community Trusteeship Day in October.
