Empowering Native American Entrepreneurship

Native entrepreneurs and small business owners help build healthy economies in Indian Country and SBA is bringing resources to the table to help you start, grow and expand. Whether you are a new or established Native entrepreneur, the upcoming **2020 Native Business Development Empowerment Workshops** held virtually August through December 2020 could be your bridge to growth, learning, and success.

Join live webinars and meet with our awesome #nativeSBA trainers in real time, or **view webinar recordings** on your own schedule. Join the **e-Learning** center to receive 8 modules of small business training materials. Upon completion of the course, you can **earn CEUs**.

Sister Sky, Inc., a 100% Native American-owned company, is presenting these workshops under contract with the Office of Native American Affairs (ONAA) of the SBA.
