

LEADERSHIP PORTAGE COUNTY

Partnership Opportunities

Leadership Portage County is seeking funding partners. Leadership Portage County (LPC) is a 10-month leadership development program that immerses participants in all aspects of Portage County life, business, and history. The curriculum provides an intensive, county-oriented look into the unique opportunities and challenges in our community. Each session is carefully crafted to create a hands-on learning environment that allows participants an opportunity to grow professionally and personally from a variety of leadership, teambuilding, communication and self-awareness exercises.

To continue to provide this top-notch programming to Portage County's emerging and existing leaders, the Portage County Business Council needs your support. We invite your company to join us as a LPC partner in the following ways:

Presenting Program Year Partner - \$5,000 (2 available)

Those businesses supporting LPC at this level value professional development and growth, not only for their company and employees, but as a tactic to strengthen our community at large. Their support of this program shows an investment in the community and support of leadership. Presenting Partners support the overall costs of facilitating LPC.

Presenting Partners will receive:

- Company name and logo on Portage County Business Council website
- Company name and logo on front cover of program materials binder
- Consistent recognition at all ten sessions
- And everything listed below

Graduation & Alumni Sustainer - \$3,000 (1 available)

Upon ending the program year, LPC participants join a network of 500+ program alumni across the community. To ensure a memorable conclusion participants gather for a closing retreat and graduation program. Graduation & Alumni Sustainers sponsor the costs of the graduation program, allowing guests and LPC alumni to attend this event free of charge.

Graduation & Alumni Sustainers receive:

- Company name & logo prominently featured on graduation invitation, registration, and program
- Frequent verbal recognition at graduation event
- Option to speak at graduation event
- And everything listed below

Scholarship Supporter - \$1,000 (5 available)

Program tuition for LPC is \$1,025. For some participants (smaller businesses and nonprofits, especially) this tuition can be a barrier to participation in the program. In these cases, the participant may apply for a scholarship. Partial scholarships (up to \$500/participant) are awarded based on need and available funds.

Scholarship Supporters receive:

- Thank you note from scholarship recipient (this level only)
- Company name & logo on graduation program
- Verbal recognition at graduation program
- And everything listed below

Leaders At Lunch Sponsor - \$500 (10 available)

LPC sessions are very full days of programming, beginning at 7:45 AM and going until 4:30 PM. Breakfast and lunch are included in the session days and are an important time to refuel! Sponsors at this level are contributing to the meals for one session.

Leaders at Lunch Sponsors receive:

- 5-10 minutes during lunch hour to present on company to participants (this level only)
- Company name & logo included on session's agenda
- Sponsor thank you on social media

The Portage County Business Council Foundation is recognized as a 501(c)(3) nonprofit, and contributions are tax deductible.

Selected Partnership Opportunity
