

ALOHA CONNECTS INNOVATION

**JOBS
AVAILABLE
FOR DISPLACED
WORKERS!**

CATALYZE ECONOMIC GROWTH FOR YOU AND YOUR COMMUNITY!

▶ **Now more than ever, Hawaii needs to address the major economic downturn, massive unemployment, and high rate of business failures** resulting from the ongoing suffering created by the COVID-19 pandemic and the collapse of the State's tourism economy. The Aloha Connects Innovation (ACI) Workforce Hawaii Program is a new initiative led by the Economic Development Alliance of Hawaii (EDAHI) to connect workers to and prepare them for job opportunities in Hawaii's emerging industries and innovation sectors.

WHAT INDUSTRIES CAN YOU EXPLORE?

This sector consists of **non-tourism dependent emerging industries** including, but not limited to:

- ▶ Aerospace
- ▶ Agri-Tech
- ▶ Aquaculture
- ▶ Clean energy
- ▶ Creative industries
- ▶ Healthcare
- ▶ Local foods, production and manufacturing
- ▶ Manufacturing
- ▶ Natural resource management
- ▶ Science, Technology, Engineering and Math (STEM) fields
- ▶ Smart sustainable communities
- ▶ Technology, cyber security
- ▶ Waste reduction services
- ▶ **And more!**

WHO IS ELIGIBLE? WHAT CAN YOU EXPERIENCE?

- ▶ **Program Period: September 1 - December 15, 2020**
- ▶ You can apply if you are a:
 - ▶ Displaced worker
 - ▶ Recent college graduate
 - ▶ Recent high school graduate

BENEFITS

- ▶ **PAID full-time or part-time opportunities** with an organization in non-tourism based emerging industries
- ▶ **Optional health insurance benefits** for the duration of the Program
- ▶ **Formal and/or on-the-job training and industry knowledge** to bring you up-to-speed or take you to the next level in the position and field of interest
- ▶ **Opportunity to develop a new career** in a resilient sector of our local economy
- ▶ **Network with other professionals in the field**

**If you're interested in applying for this unique opportunity? Have questions?
Register at EDAHAWAII.org by September 15, 2020.**
