November Members of the Month

St. Vincent de Paul
Members since 2010

St. Vincent de Paul

For 70 years St Vincent de Paul North Idaho's focus has been to collaborate with other agencies to provide the best possible services to the suffering in our community. They provide shelter for the homeless, transitional and affordable housing, a HELP center offering a myriad of services, a weekly soup kitchen and winter warming centers. They operate 2 thrift stores to help support their mission.

CDA Press
Members since 1982

Coeur d'Alene Press

The Press has been serving Kootenai County since 1892. Today it reaches nearly 60,000 readers every day, in print and online. Its production facility in Coeur d'Alene also publishes daily or weekly newspapers for Moses Lake, Sandpoint, St. Maries, the Silver Valley, Priest River and Bonners Ferry.

**North Idaho College, University Of Idaho,
Boise State University, Lewis and Clark State College,
Idaho State University**

North Idaho College, Lewis-Clark State College, University of Idaho, Boise State and Idaho State University work closely with each other's faculty and staff to bring the most positive student experience to all those who participate in the transfer process. With this collaboration they are able to bring students more services for their convenience than ever before.
