

## Consultants on Demand Consultant Form

Consultants on Demand, a service offered to the members of the Fayette Chamber of Commerce, provides each member in good standing three hours a year of free consulting services to assist in growing his or her business.

Consulting time provided is three one-hour increments. Time can be used with up to three different consultants, one hour each or all three hours may be used with one. During the consulting time under this program, the consultant is not to sell their services but to provide counsel. Once the three hours is used and if additional consulting is needed, the business and the consultant should consider entering into a written contractual arrangement of services and payment that is mutually beneficial to both parties involved and at that time, the consultant is free to promote his or her specific company. As the consultant, it is your responsibility to remind the business of the time limits to ensure that your volunteer time does not go beyond a reasonable commitment.

To become a consultant with this program, complete this form and submit to [info@fayettechamber.org](mailto:info@fayettechamber.org) or call (770) 461-9983 for assistance.
