

**BUSINESSES ARE  
REOPENING**

**OPEN**

- As businesses reopen, please respect and follow their rules for social distancing, sanitary and safety procedures
- Many businesses have been closed for months, please give them time to rebuild their stock and supplies
- Some businesses may not feel comfortable opening fully and may remain closed or continue limited operations.
- Open businesses may not be able to operate at full capacity. Service may be slower until they are fully staffed.

**Please Be:**

***Patient, Positive and Helpful***

**Let's Work Together  
to Support Local Businesses**
