<p>Question 1 Describe what you believe makes Coweta County most appealing to both current and future residents.</p>	<p>Current and future residents are attracted to the quality of life in Coweta County, a great school system, and economic opportunity available in our region.</p>	<p>Coweta County has a superb school system. Georgia is the first state to secure a dynamic workforce development opportunities in the nation. Coweta began by selecting eleven 10th grade students to take part in a world-class program. The program unites the German American Chamber of Commerce of the Southern U.S., Inc. with the Technical College System of Georgia and 8 Coweta County manufacturing companies. Coweta has affordable housing, non-technical and technical job opportunities, state-of-the-art medical facilities and the Cancer Treatment Center of America. Coweta County leaders have their priorities set right with project development growth for business and residential. We have great responsible growth with collaboration of the Coweta County Development Authority that promotes innovative thinking for the best interest of the future of Coweta citizens and families. Coweta has a highly respected Sheriff and local police department, fire department and emergency services available that supports the County to keep citizens safe while at home, work, school, and play.</p>

Candidate	Bob Trammell (D)	Leonard Gomez (R)
<p>Question 2 What top 3 assets does Coweta County possess which attract new business and stimulate growth of existing businesses?</p>	<ol style="list-style-type: none"> 1. A terrific school system. 2. Easy access to a major logistics corridor and literal proximity to the world with the convenient proximity to Hartsfield-Jackson airport. 3. An outstanding Chamber of Commerce working with business, community, and elected leadership to advance Coweta County. 	<p>Coweta County has proximity to Atlanta’s Hartsfield-Jackson International Airport as well as the Coweta Airport. Interstate 85 runs through the middle of Coweta County, making us convenient to travel. The Coweta County Development Authority has a big influence and leadership role in the stimulation of the economic prosperity of workforce growth. It has a positive relationship that involves engaging with all community business leaders, citizens and the local education systems that will build an innovative, collaborative future for all to prosper economically.</p>
<p>Question 3 Describe how you would use your elected position to help business growth in Coweta County.</p>	<p>I will continue to work with the leadership of the local business community through the Chamber and will continue to work collaboratively with local elected officials to promote policies that help business growth in Coweta County. I will continue to be an ambassador for Coweta County’s success story and great brand and continue to be a liaison with the State of Georgia to help things get done in Coweta County.</p>	<p>As an elected official, my priority would be ensuring that I collaborate and engage with all local county leaders in making sure that all are involved with the Newnan-Coweta Chamber and the Coweta Economic Development Authority to bring innovative ideas and business developments. In addition, I will work to bring eco-friendly ideas for the future prosperity of our communities. I will ensure that we are preparing our students for a higher education and that we can meet the technical and non-technical skilled workforce needs in various industries, including, but not limited to: nursing, logistics, mechanics, management, construction, or electricians.</p>
<p>Question 4 List the greatest need(s) in Coweta to continue its prosperity.</p>	<ol style="list-style-type: none"> 1. Sustained investment in workforce development and career pathways education. Coweta County has been a leader in these efforts, but the demand and competition for talent to fill existing and future jobs will only continue to intensify. 2. Transportation infrastructure. As the population in Coweta County continues to grow, we need to make sure that planning for road projects and ways to move people around the county and the region keep pace with the demand. 3. Improved access to healthcare for those who either currently lack medical insurance or who may have health insurance but be at risk of losing it. 	<ol style="list-style-type: none"> 1. Sustainable Cities and Communities. 2. Maintain affordable housing for prosperity growth. 3. Help the urban poor to unlock economic potential and safeguard hard won development gains for generations to come. 4. Further our engagement and collaboration with the private sector, government, civil society, and other partners to build inclusive, resilient, and sustainable cities and communities; also help create competitive economies that provide new kind of jobs, especially for the urban and underserved communities.
<p>Question 5 If elected, what do you want your greatest accomplishment to</p>	<p>To close Georgia’s healthcare coverage gap and put a health insurance card in the pocket of 600,000 Georgians who could have health care coverage if the state opted to take advantage of the available funding under the Affordable Care Act.</p>	<p>My legacy will be having engaged and bridged relationships with our community and businesses to maintain involvement and partnerships on every aspect of the economic prosperity through the education system and Coweta Economic Development Authority. I will also work to ensure that every rural city in the district gets the</p>
