<b>Question 1</b> Describe what you believe makes Coweta County	Combination of lifestyle, economic opportunity, and education options.	Coweta is thriving because of the economic opportunity it offers. Entrepreneurs have a growing community that can support small businesses all over the county. Parents have a quality education system for their children, including the GA CATT program that

<p>most appealing to both current and future residents.</p>		<p>prepares students for a career. Coweta welcomed my family with open arms, and I'm proud to call it home.</p>
<p><b>Question 2</b> What top 3 assets does Coweta County possess which attract new businesses and stimulate growth of existing businesses?</p>	<ol style="list-style-type: none"> <li>1. Leadership</li> <li>2. Good infrastructure</li> <li>3. Great education</li> <li>4. Motivated workforce</li> </ol>	<p>The GA CATT program encourages companies to invest in our community by guaranteeing trained employees for the work of tomorrow. Coweta is a growing community, which allows new businesses to thrive and encouraging the American entrepreneurial spirit. Lastly, the people of Coweta are our greatest asset. By being a welcoming community and supporting our local businesses we keep Coweta as an attractive community for companies that want to invest in their future.</p>
<p><b>Question 3</b> Describe how you would you use your elected position to help business growth in Coweta County?</p>	<p>Create the right tax, regulatory, and education environment.</p>	<p>The first step is to make the temporary middle-class tax cuts permanent and ensure they are unshackled from the chained CPI index. This keeps money in consumers' pockets, stimulating growth and increasing demand for the small businesses that are the lifeblood of any community. We have to reframe the corporate tax code to encourage companies not just to move to Coweta, but to stay there, to pay their employees a living wage, and to invest in their communities so that we can continue to grow.</p>
<p><b>Question 4</b> List the greatest need(s) in Coweta to continue its prosperity.</p>	<p>Road infrastructure. Continue to enhance education.</p>	<p>We need a public transportation and communications infrastructure to with Coweta. Bringing broadband internet access to all corners of Coweta will require investment in public works projects to help the county grow. We have to invest in transportation solutions to ease the congestion we see on our public roads.</p>
<p><b>Question 5</b> If elected, what do you want your greatest accomplishment to be during your term of office?</p>	<p>Continue to make America the greatest place on earth to do business.</p>	<p>Rebuilding our infrastructure to thrive in our future economy. Automation and technology are drastically changing the workforce and environment of our communities. We must retool for a sustainable energy future. Beyond roads and bridges, we have to rebuild our power and communications infrastructure and strengthen our water systems to meet the needs of tomorrow's workforce.</p>
