most appealing to both current and future residents.		shopping and a variety of restaurants. In addition, Coweta has a growing film industry. All of these things combine to make a wonderful place to call home. In Coweta County you can easily go out on the town for a night or stay home and enjoy a quiet evening on the porch. Our community embraces the values we grew up believing.	Coweta offers a number of excellent educational options in public, private, and home schools.	have great people, beautiful land, tremendous businesses and so much potential for growth.
Question 2 What top 3 assets does Coweta County possess which attract new business and stimulate growth of existing businesses?		Coweta County attracts businesses for some of the same reason it attracts residents—it is in close proximity to a major city but it lacks the congestion of an urban area. Coweta’s demographics are also a wonderful selling point for businesses. As a growing area with a large number of families the consumer potential is extremely high. In addition, the growing film industry has added numerous opportunities for businesses and entrepreneurs to work in coordination with production companies to provide goods and services needed within the industry.	1. Excellent access to the interstate system and Hartsfield-Jackson airport. 2. Quality public school system with a focused effort on technical education and training. 3. Available real estate for various industries and local governments willing to work to land quality companies.	A beautiful environment; kind and hardworking people; a family-friendly atmosphere.
Question 3 Describe how you would use your elected position to help business growth in Coweta County.		I would use my elected position to help the business growth by interacting with small business owners, corporations, other elected officials across Coweta County and the State of Georgia to ensure we make Coweta County the most appealing and business friendly area. I find in order to attract business growth in the area, we must help aid	At the state level, I will continue to work to reduce the tax burden on our citizens and our businesses, along with reducing the number of burdensome regulations that tend to slow growth. Locally, I will continue working with our county and cities to address the availability of a quality workforce.	I want to make Coweta #1 in education. That can only be done through repealing laws that hinder learning. I want to make Coweta #1 in business by cutting taxes to stimulate growth and attracting family-friendly, kind and hardworking people to the area.

		<p>in providing a ready workforce through programs we already have implemented, such as the Central Education Center. The foundation of technical education through this center has and will continue to provide this workforce for the steady business growth in Coweta County. I hope to provide continued support of such assets we have available to our community. Together we can continue to build business growth in Coweta County by providing the above, but still maintain our “Small Town” atmosphere across the community by preparing future generations for the businesses here at home.</p>		
<p>Question 4 List the greatest need(s) in Coweta to continue its prosperity.</p>		<p>In order to continue Coweta’s prosperity, it is extremely important to focus on building sound infrastructure not only within the district I would represent, but also, state-wide. It is one of the greatest tools and one of the biggest needs to continue the business growth in Coweta County. Growth always brings stress to infrastructure. As the county grows, traffic in particular is going to continue to be an issue. This is an area where it is better to be proactive. As your State House Representative, I would work with other elected officials in any way possible to ensure that the growth of</p>	<p>A trained and available workforce; quality schools; efficient and responsive government; continued collaboration by our business, faith communities; non-profits and governments to ensure we offer an environment that is not just a great place to do business, but also to raise a family.</p>	<p>Growing businesses, large and small, and making our community the best place to get an education so that our citizens are the brightest and the best in every field of study.</p>

Question 5 If elected, what do you want your greatest accomplishment to be during your term of office?		This job is not about me, it is about the people. My goal is to be the voice of my constituents and if they felt I was representing them effectively then that would be my greatest accomplishment.	Georgia has been named the best state in which to do business for five years in a row. My goal is to see Georgia become #1 in other areas: education, poverty rate, raising a family, business climate, etc.	Make us #1 in Education and #1 in Business.
