Question 1 Describe what you believe makes Coweta County most appealing to both current and future residents.	Combination of lifestyle, economic opportunity, and education options.	<ol style="list-style-type: none"> 1. The people. Southern Charm is a real thing, and Coweta is no exception. 2. Four seasons and moderate climate. 3. Non-invasive government. 	Coweta is thriving because of the economic opportunity it offers. Entrepreneurs have a growing community that can support small businesses all over the county. Parents have a quality education system for their children, including the GA CATT program that prepares students for a career. Coweta welcomed my family with	Coweta County lies in the heart of one of the most diverse districts in Georgia. It is within commuting distance of Atlanta, state parks, recreation on the lakes of the Chattahoochee River, and offers tremendous economic growth potential.

			open arms, and I'm proud to call it home.	
Question 2 What top 3 assets does Coweta County possess which attract new businesses and stimulate growth of existing businesses?	<ol style="list-style-type: none"> 1. Leadership 2. Good infrastructure 3. Great education 4. Motivated workforce 	<ol style="list-style-type: none"> 1. Top-tier education system. University system and high school CTE. 2. Positioned well for global access. 3. Amazing place to live and work. 	The GA CATT program encourages companies to invest in our community by guaranteeing trained employees for the work of tomorrow. Coweta is a growing community, which allows new businesses to thrive and encouraging the American entrepreneurial spirit. Lastly, the people of Coweta are our greatest asset. By being a welcoming community and supporting our local businesses we keep Coweta as an attractive community for companies that want to invest in their future.	A diverse socioeconomic community that offers a workforce as well as a population to provide goods and services to. Proximity to Atlanta, Carrollton, LaGrange, and Columbus and the post-secondary institutions of the district. Coweta County schools.
Question 3 Describe how you would you use your elected position to help business growth in Coweta County?	Create the right tax, regulatory, and education environment.	<ol style="list-style-type: none"> 1. I would encourage the reduction of the GA income tax rate even further. 2. Increase support for CTE programs. 3. Reduce government regulation. 	The first step is to make the temporary middle-class tax cuts permanent and ensure they are unshackled from the chained CPI index. This keeps money in consumers' pockets, stimulating growth and increasing demand for the small businesses that are the lifeblood of any community. We have to reframe the corporate tax code to encourage companies not just to move	Being a representative involves improving the immediate needs to maintain small businesses and the foresight to build infrastructure and provide incentives to attract businesses that want to become an integrated part of the county community.

Candidate	Drew Ferguson (R)	Philip Singleton (R)	Chuck Enderlin (D)	Rusty Oliver (D)
			to Coweta, but to stay there, to pay their employees a living wage, and to invest in their communities so that we can continue to grow.	
Question 4 List the greatest need(s) in Coweta to continue its prosperity.	Road infrastructure. Continue to enhance education.	Investment in critical infrastructure. Prevent federal deficit spending from leading to tax hikes. Stop government growth.	We need a public transportation and communications infrastructure to with Coweta. Bringing broadband internet access to all corners of Coweta will require investment in public works projects to help the county grow. We have to invest in transportation solutions to ease the congestion we see on our public roads.	100% broadband internet access and raising it to the status of a government provided utility, working with the county to itemize infrastructure priorities and providing funding for those projects. Ensuring that existing businesses remain.
Question 5 If elected, what do you want your greatest accomplishment to be during your term of office?	Continue to make America the greatest place on earth to do business.	To help establish term limits and restore accountability of our elected leaders.	Rebuilding our infrastructure to thrive in our future economy. Automation and technology are drastically changing the workforce and environment of our communities. We must retool for a sustainable energy future. Beyond roads and bridges, we have to rebuild our power and communications infrastructure and strengthen our water systems to meet the needs of tomorrow's workforce.	I want to end the polarity and divisiveness of our country and work to be a voice that represents the needs of all of the people of the 3 rd district. Just as in education.
