Newnan-Coweta Chamber Program

Sponsorship in this organization allows for unique and exclusive access to the most coveted demographic in the Newnan-Coweta area— its young professionals.

As a sponsor for YP, you will be providing the funds necessary to ensure the longevity of the organization. In addition to the tangible benefits outlined below, your generosity will advance Coweta's next generation of leaders while supporting a variety of other Coweta groups with young professional leadership and/or involvement.

Our Goals

- Keep young professionals in Coweta County
- Increase interaction with peer group
- Enhance career development
- Increase career opportunities
- Contribute to the community

How Will My Sponsorship Funds Be Used?

Corporate sponsorship monies help us remain a minimal dues organization. This encourages all young professionals to participate, regardless of their financial situation. As the membership grows, and the need for a greater diversity of professional development and networking opportunities arises, sponsorship monies will ensure that our members continue to receive quality opportunities for growth as young professionals.

Benefits of sponsorship include:

- Awareness among these energetic and dynamic young professionals
- Exclusive participation in activities that reach the entire Coweta county community
- Association with some of the area's most prominent business leaders and popular venues
- Exposure to the most active young professional organization in Coweta county
- Endless possibilities to network with our members, local community leaders, and business allies
