1. Quick Self Intro and Business Updates

2. Summit Chamber Announcements – Mike

- a. Board participation – please contact Mike Spry or Blair McGary if you are interested in running for a board position
- b. Holiday Party –date TBD, The Summit Chamber encourages attendance. This year the Summit Chamber will have the holiday party in conjunction with the Breck Ambassadors
- c. Business Excellence Awards – date 2/28/19 there will be 10 categories to recognize local business. You can nominate other businesses or nominate yourself

3. Chapter News -Next projects

- a. Ongoing work with school district – e205 Chapter of the Summit Chamber presented an \$8000 check to the Summit County School District for all the elementary school lunch debt. There is an additional \$4000 left. We will meet again with the Summit County School District to determine what the next step is to use the balance of the money. The Summit Daily & Chanel 9 News ran stories about this.
- b. Volunteer day concepts – There are funds in our e205 Chapter account to use it for something in our community. One idea is to support a volunteer day to assist the non-profit businesses to recruit volunteers. Some ideas were:
 1. Open house – with the non-profits to educate the community of their needs
 2. Clean up - day concept – tag onto this event in the county with a possible BBQ, concert at the Dillon Amphitheater and have the non-profits have stations there. “Make a Difference Day” should give a good indication on how this could work.
 3. General funding
- c. Membership
 1. Advertisement in paper and over the air – there will be an announcement in the Summit Daily in November
 2. Invites to mixers – Bring a non-member or another member to the next couple mixers

4. Open/New Business Discussion

There was a suggestion that each Chapter should make announcements and the upcoming mixers
