Collinsville Organization Seeks to Recognize Noteworthy Improvements

Collinsville, IL— Collinsville Progress is accepting nominations for the Carl Schultze Improvement of the Month Award. The monthly designation is awarded to a business or organization that has made improvements to a building or site, which helps create a better business environment for Collinsville and its residents.

Anyone is able to nominate a business they deem worthy of the recognition. Forms are available at the Collinsville Chamber of Commerce, Collinsville City Hall, Collinsville Area Recreation District, and the Collinsville Progress Facebook Page.

This award is presented by Collinsville Progress in honor of Carl Schultze, a Charter member of Progress and lifetime area resident. Carl's significant contributions to Progress included the development and upkeep of the holiday lighting displays, area banner programs and many of the additional Progress programs still in place today.

Collinsville Progress is the community development arm of the Collinsville Chamber of Commerce. The purpose of Collinsville Progress is to make the Collinsville Community more attractive and appealing to potential business and residents and to sponsor projects for the improvement and enjoyment of its citizens.
