The Chamber of Commerce Spirit of Excellence Award has been established to honor those Collinsville men and women who have contributed to their community through their achievements. These achievements may be in the arts, architecture, business, communications, education, entertainment, government, law, medicine, social services, sports, volunteerism and other areas vital to Collinsville’s quality of life. This award is presented annually to one person whose achievements and long-term commitments of excellence during the past year have resulted in creating a better Collinsville for all of us. The award recipients may be those who are already well known throughout the region or those who have worked effectively, but may not be widely known. The most important quality in a candidate will be their dedication to excellence in their field and the results brought about by that good work. The Spirit of Excellence Award is presented at the Collinsville Chamber of Commerce Community Awards Night. This 2016 event will be held on Thursday, October 13, at the Gateway Convention Center.

Ruth Newman - 1985
