

Welcome Friends!

On behalf of the Keith County Chamber of Commerce and area businesses, we welcome you to Keith County, your new home!

We may be small in numbers, but we offer the best in class for service, unique dining, shopping, recreational activities, and supportive businesses that everyone needs access to when they're new to the community. If you've never been to our area, you won't want to wait to visit the big, beautiful Lake McConaughy- our state's largest inland lake. 'Lake Mac,' as the locals call it, features stunning sandy white beaches and one of the largest earthen dams in the world.

This Welcome Kit includes more information about your new community including the lake, our collection of Old West historic attractions and businesses that offer supportive services, and shopping experiences. take time to tour authentic Boot Hill Cemetery- where cowboys were buried with their boots on! Enjoy our Victorian showcase- the Mansion on the Hill Museum. See the famed collection of ancient wood, art, and artifacts at the Petrified Wood Gallery. Last but definitely not least, stop by Front Street for their famous summertime show, the Crystal Palace Revue, or head out to Paxton for Ole's Steakhouse and Lounge!

Finally, there are many opportunities to get involved here in Keith County. Once you are settled, please reach out and we can help to match you to an area of your desires for volunteering, meeting new friends, and joining in on community activities.
