Guide to Promoting Jobs & Other Hiring Resources

Promote an opening through the Chamber

Do you have a job opening you'd like us to promote to other Chamber members? Email your job title and description to ksmith@carolinachamber.org and we'll post the job. The opening will be noted on your business directory listing at our website and will be posted to Chamber social media. Additionally, consider posting the job at our LinkedIn group. Find our group at <http://linkd.in/CarolinaChamber>.

Promote an opening through Work in the Triangle.

Work in the Triangle will post your jobs for free. Email your job title and description to info@workinthetriangle.com. Work in the Triangle is a regional talent attraction initiative, of which the Chamber is a partner.

Promote an opening statewide

The Division of Employment Security (formerly the Employment Security Commission) has a website to which you can upload your job opening. Visit <http://www.ncjobconnector.com/>, the state's official Labor Exchange system.

Are you a nonprofit? The North Carolina Center for Nonprofits has a great Jobs Board. Visit <http://jobs.ncnonprofits.org/> where employers can post their job opening for 90 days for a fee.

Consider hiring a UNC student

Do you need part-time help? UNC's Careerolina is a great way to hire a UNC student. Send your job title, description, contact information, and how to apply to Jade Barricelli at jade.barricelli@unc.edu. She will post your job opening at Careerolina, the online database that students can use to find employment.

Do you need temporary help? Check out Chamber member Sweeps, a great way to hire a UNC student at an hourly rate. Visit <https://sweeps.jobs/>.

Use a Chamber member staffing firm

Need some more help to find the right candidate for your opening? Use a Chamber member staffing firm. Visit our online business directory at <http://business.carolinachamber.org/list/> and click on "Employment Services." Any of our Chamber member staffing firms can help you find the right person for the job.
