To Our Valued Community Partners

The Orange County Department of Social Services is sponsoring a Job Fair on Wednesday, April 30, 2014, from 10:00am-2:00pm at 113 Mayo Street, Hillsborough, NC 27278. The intent for this Job Fair is to connect businesses with potential employees. Your leadership and involvement in the community makes you a valuable partner in this endeavor and we really need your participation for a successful event.

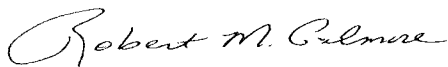

This Job Fair is an excellent opportunity for employers to meet potential employees with a variety of skill sets, from experienced professionals to entry level talented individuals. Orange County's goal is to provide a Job Fair where each employer leaves with several possible candidates for hire.

Space (including tables), parking, private offices for interviews, and internet access will be provided at no charge. There will also be access to a computer lab with twenty computers for applicants to complete online applications. Lunch will be provided, at no cost, for participating employers. In addition, a seminar on available federal tax incentives will be provided for hiring managers from 8:30am-9:30 a.m. and will include a continental breakfast. A brief description about the seminar is enclosed for your reference.

To participate as an employer at this event, please complete the attached registration form and return in the enclosed envelope by April 14, 2014. You may register for the Job Fair and/or the Breakfast Seminar, by returning the registration form. To do so, you may mail the registration form to the Orange County Department of Social Services.
